Last Friday the Lincoln anniversary stamps were placed on sale at postoffices. The stamp is one of the best ever turned out in the 2 cent denomination, in the usual size and color. It is not likely that a second issue of these stamps will be printed and they will probably become valuable as souvenirs.

Frank Leuschen, instructor for the Bakerville schools, was in attendance at the teachers' meeting held in Grand Rapids last Friday and Saturday. Mr. Leuschen considers the advanced ideas ably expressed by leading educators in the meetings as the keynote of much needed improvement in school methods and instruction.

February is always a month of holidays, fast days and anniversaries and the Lincoln centennial gives it more than its usual prominence this year. Feb. 2 was Candlemas day, Feb. 12 Lincoln's birthday, Feb. 14 Valentine day, Feb. 15 anniversary of the destruction of the Maine, Feb. 22 Washington's birthday, Feb. 24 Ash Wednesday.

Hunters in the state will be limited to one deer under a bill to be presented in the legislature, endorsed by the state game wardens and the bill will also prohibit the killing of any kind of game a certain number of days before the season opens, thus affording no excuse for hunters to visit the woods in advance. It is claimed that many deer were killed before the season opened.

The skat tournament held at the Elks' club room under the direction of Skatmeisters Seubert, Tack and Bouldrie last Friday evening brought together a good crowd of local enthusiasts. The new rules for counting, 16 for gucker and 20 for grand, were played for the first time at a local tournament. Dr. G. E. Harrington won the first prize, T. A. Tack, second, W. W. McCulloch, third and John Seubert fourth.

Messrs. Larson & Kreisch have again associated together to conduct the cement walk business which they have followed here for several seasons. Last year they put down 35 contracts in the city and their work was satisfactory in every case. The coming summer promises to be a lively season in sidewalk building as several blocks will be put in on Central avenue in addition to a large amount of work in the residence districts.

Residents of Grand Rapids are confident that the proposed cut-off to be made by the Wisconsin Central company will follow the route from Grand Rapids to Mukwonago. A crew of surveyors have been quartered at the county seat for some time and are openly engaged in running lines south along the projected air line route. If this route is followed Marshfield seems to have the first call as a division point, being a natural terminus for all the diverging lines of the Central.

When buying flour, ask your dealer for Pearl Patent. 15cf
